

## **SOC 2008 Volunteers for MORCA**

1. You need to sign a liability waiver form. If you did not already do so please do when you sign in the first time.
2. You must sign in everyday you volunteer. The volunteer booth is on the paddock next to the registration tent.
3. T-shirts-I have them and/or they will be at the MORCA booth or at the rodeo area. Try to wear it when we are working. Hopefully I have the right sizes.
4. Festival bands (to wear to get into the festival)- when you first sign in at the volunteer booth tell them you are with MORCA and they will give you one.
5. I will have an "instruction" sheet for what to do at the rodeo and what the schedule is. I will also put something together for the booth as well, and these will be on the website a little later this week.

Questions...call Peter...676-7229.
